1. You tell me stories on the t.v. news,  
I don't believe it.  
You tell me you're the one that I should choose,  
I don't believe it.  
You tell me that you're going to make a change,  
I don't believe it.  
You tell me 'bout it but your plan seems strange,  
I don't believe it.  
Running from the man, but you never really can, get  
away.  
I said,  
Running from the man, but you never really can, get  
away.

2. You tell me that you're going to make things right,  
I don't believe it.  
You tell me that you're going to lead the fight,  
I don't believe it.  
You tell that you're not like one of them,  
I don't believe it.  
You tell me speeches but its sounding grim,  
I don't believe it.  
Running from the man, but you never really can, get  
away.  
I said,  
Running from the man, but you never really can, get  
away.

3. Whatever happened to the land of the free,  
I don't believe it.  
Why can't you go away and let me be,  
I don't believe it.  
You got your hand in my pocket again,  
I don't believe it,  
You try to rig it so I'll never win,  
I don't believe it.  
Running from the man, but you never really can, get  
away,  
I said,  
Running from the man, but you never really can, get  
away.
