Hey girl you dont understand what you mean to me  
Do anything not to lose ya  
I take you to the top of the world  
Hey girl, my heart's lost when you're not close to me  
Keep praying for the chance to feel ya  
I take you to the top of the world

To give my best, coz you're my everything  
the only on my mind  
I gotta tell you your everything I want, yeah  
Gotta feel so good, to let you in my world  
And I can say that is, is incredible you everything I want

Baby think about you all the time  
and lose control of myself  
coz you dont know what you have done to me  
Baby, when I get you close to me  
and hold my hands and my body  
I kiss you then I turn off the lights

I told you that if you give me the keys to your heart and let me in  
I give you the world my love  
coz that is what you deserve, yeah  
and nothing that I won't do  
just go and give me the world  
and you know that I will be there  
'til the end of time  
you're everything that I want
