Impotence  
Boomerang  
I'll stab you ( excuse me, sorry oh woops... I'll stab you)  
Clumps of hair in the sink  
Who's hiding piece of?  
You knew all along, goddammit but you wouldn't tell  
me  
But look at you now  
It's not funny my ass is on fire  
Paraplegic inhuman liar  
Carve a smile on your face  
Everything's, suffocate  
(Uerrgh) what the fuck  
Whatcha lookin' at fuck? whatcha' looking at fuck?  
Don't u fuckin look at me  
Don't u FUCKIN' look at me  
Don't u fuckin look at me  
Lift me out like a child  
Lift me out like a child  
Lift me out... I'm I'm dying  
It's not funny my ass is on fire  
Paraplegic inhuman liar  
Boo!  
Boo!  
Redundant  
Redundant  
Re-DUN... dant  
Redundant, redundant, redundant, redundant,  
redundant!  
Redundant, redundant, redundant, redundant,
