If you're standing with your suitcase
But you can't step on the train
Everything's the way that you left it
I still haven't slept yet

And if you're covering your face now
But you just can't hide the pain
Still setting two plates on the counter
But eating without ya

If the truth is you're a liar
Then just say that you're okay
I'm sleepin' on your side of the bed
Goin' out of my head now

And if you're out there try'na move on
But something pulls you back again
I'm sitting here try'na persuade you
Like your in the same room

And I wish you could give me the cold shoulder
And I wish you could still give me a hard time
And I wish I could still wish it was over
But even if wishing is a waste of time
Even if I never cross your mind

I'll leave the door on the latch
If you ever come back, if you ever come back
There'll be a light in the hall and the key under the
mat
If you ever come back

They'll be a smile on my face and the kettle on
And it will be just like you were never gone
There'll be a light in the hall and the key under the
mat
If you ever come back, if you ever come back now
Oh, if you ever come back, if you ever come back

Now they say I'm wasting my time
'Cause you're never comin' home
But they used to say the world was flat

But how wrong was that now?

And by leavin' my door open
I'm milkin' everything I own
Something I can lose in the breakin'
That you haven't taken

And I wish you could give me the cold shoulder

And I wish you can still give me a hard time
And I wish I could still wish it was over
But even if wishing is a waste of time
Even if I never cross your mind

I'll leave the door on the latch
If you ever come back, if you ever come back
There'll be a light in the hall and the key under the
mat
If you ever come back

They'll be a smile on my face and the kettle on
And it will be just like you were never gone
There'll be a light in the hall and the key under the
mat
If you ever come back, if you ever come back now
If you ever come back, if you ever come back

If it's the fighting you remember or the little things
you miss
I know you're out there somewhere so just remember
this
If it's the fighting you remember or the little things
you miss
Oh, just remember this, oh, just remember this

I'll leave the door on the latch
If you ever come back, if you ever come back
There'll be a light in the hall and the key under the
mat
If you ever come back

They'll be a smile on my face and the kettle on
And it will be just like you were never gone
There'll be a light in the hall and the key under the
mat
If you ever come back, if you ever come back now
If you ever come back, if you ever come back

And it will be just like you were never gone
And it will be just like you were never gone
And it will be just like you were never gone

If you ever come back, if you ever come back now
