If you see my friend
Doesn't matter where or when
Tell me if you see Kay

She said I Won the battle but I lost the war
And now my head is sore
And If I try to sail back in
She's gon push me from the shore
Now I wont ever get the time of day
No way no way no.
Not for what I said but for what I didn't say
what I didn't say so

If you see Kay
Will you tell her that I love her
And if you see Kay
Let her know I want her back
If she listens, say that I'm missing
Everything about her
Make sure you say
Im sweet FA without her
If you see Kay

If you see my friend
Doesn't matter where or when
Tell me if you see Kay

She got me saying sorry through the door
She don't care anymore
She says it's too late know
Should have thought of this before
But I aint gonna take this as defeat
No way no way no
Cos I'm gonna shout this out to every one I
Every one I meet

If you see Kay
Will you tell her that I love her
And if you see Kay
Let her know I want her back
If she listens, say that I'm missing
Everything about her

Make sure you say
Im sweet FA without her
If you see Kay

Now I'm sitting here in disbelief
At how it truly broke my heart to have to watch her
leave
But she was thorn between what she wants and what
she needs
They say you love someone enough you gotta set them
free
See she was born to leave this town behind
Knew the truth but still she looked me in the eyes and
lied
Saying its time to cut the ties
Time to say goodbye, So she left
But she never never left my mind.. never never left my
mind..

If you see Kay
Will you tell her that I love her
And if you see Kay
Let her know I want her back
If she listens, say that I'm missing
Everything about her
Make sure you say
I'm sweet FA without her.
And make sure you say I lost my way without her
If you see Kay

If you see my friend
Doesn't matter where or when
Tell me if you see Kay
