2 a.m., wide awake lying on my bed  
Tuning on the radio, oh  
Tryna make the emptiness go, yeah, yeah  
I've been up, I've been reading and crying  
Tryna love you a little less, but I, I  
I struggle with my heart and my mind, ooh yeah

There's a tug of war and I keep losing  
'Cause my heart's got a really good excuse  
She's so, so sad, lying in her bed, so, so mad at me

She says I want my love, bring it back to me  
I won't go anywhere, I need my baby, baby  
Don't say it's over, baby, baby, no, no, no

She says I want my love just to keep beating  
We can't go anywhere without my baby, baby  
Don't say that love is gone  
My heart will not agree to be alone

I was so young and unfocused  
Let you go even when I knew  
That I, I put you in the way of my prime

There's a tug of war and I keep losing  
'Cause my heart's got a really good excuse  
She's so, so sad, lying in her bed, so, so mad at me

She says I want my love, bring it back to me  
I won't go anywhere, I need my baby, baby  
Don't say it's over, baby, baby, no, no, no

She says I want my love just to keep beating  
We can't go anywhere without my baby, baby  
Don't say that love is gone  
My heart will not agree to be alone

Now my heart is having seizures everyday  
I don't know what else to do but Sunday pray  
She's crying over you and blaming me  
You gotta come home now

She says I want my love, bring it back to me  
I won't go anywhere, I need my baby, baby, baby, baby

She says I want my love, bring it back to me  
I won't go anywhere, I need my baby, baby  
Don't say it's over, baby, baby, oh yeah

She says I want my love just to keep beating  
We can't go anywhere without my baby, baby  
Don't say that love is gone  
My heart will not agree to be alone
