Ooooooh

Put your loving hand out, baby
I'm beggin

Beggin, beggin you
Put your loving hand out, baby
Beggin, beggin you
Put your loving hand out, darlin'

Ridin high, when you were king
Played it hard and fast, cause you had everything
Walked away, won me then
But easy come and easy go
And it would end

Beggin, beggin you
Put your loving hand out, baby
Beggin, beggin you
Put your loving hand out, darlin'

I need you to understand
You don't have to try
To be a man
The kind of man I want in the end
Only then can we begin to live again

An empty shell
I used to be
Shadow of my life
Was hangin over me
A broken girl
Without a now
Wont even stand the devils dance

To win my soul

Beggin, beggin you
Put your loving hand out, baby
Beggin, beggin you
Put your loving hand out, darlin

I'm fighting hard

To hold my own
No, I just cant make it
All alone
I'm holdin on
I can't fall back
Now that big brass ring
Is a shade of black

I'm beggin, I'm beggin, I'm beggin
(Put your loving hand out, baby)
I'm beggin, I'm beggin, I'm beggin
(Put your loving hand out, darlin)

Beggin, beggin you
Put your loving hand out, baby
Beggin, beggin you
Put your loving hand out, darlin

Beggin, beggin you
Put your loving hand out, baby
Beggin, beggin you
Put your loving hand out, baby
