Hey Flo-Rida!
Frankie, Molly,
Una, Vanessa, Michelle
What you doing Saturday girl?

I'm doing nothing
Cos then at least I'm doing nothing wrong
And I'm gon' stay in on my own
And turn off my telephone
If nothing's gained and nothing's won

And you can tell him
Yeah you can say whatever I don't care
And if you wanna play it cool
Then I got news for you
It's getting hotter, hotter in here

So when I speak listen
This is my decision
And you keep on messing up the words
So when I speak listen
Cos you keep on pushing
Like I need permission to be heard
I'm gonna lift it lift it higher
I'm gonna lift it lift it higher
So when I speak listen
This is my decision
And you keep on messing up the words

I'm getting closer
I'm moving in and yeah I think you know
Cos I am sick of playing games
And i'm not gon' say no names
But you and I know who to blame
So you can tell them
Yeah you can go ahead and prove your strength
Cos I am in this shit myself and I do not need your help
I'm gonna do this
Do right

So when I speak listen
This is my decision

And you keep on messing up the words
So when I speak listen

Cos you keep on pushing
Like I need permission to be heard
I'm gonna lift it lift it higher
I'm gonna lift it lift it higher
So when I speak listen
This is my decision
And you keep on messing up the words

[Flo Rida:]
She said I'm messing up the words
But this ain't what I heard
I get it first hand
Tryna push me to the curb
Just what I deserve
I get on the nerves
Damn she got curves
All over this hers
I talk she talk
But then it's my fault
When I'm leaving she be tripping
I did nothing at all
Put me on the mission
Tryna listen to the broad
Sayin' I got a feeling like she's speaking to the wall
No understanding shawty demanding
Y'all can spin a rack
Got my head in her bandage
[?]

So when I speak listen
This is my decision
And you keep on messing up the words
So when I speak listen
Cos you keep on pushing
Like I need permission to be heard
I'm gonna lift it lift it higher
I'm gonna lift it lift it higher
So when I speak listen
This is my decision
And you keep on messing up the words
