Ooouuh ohhh

When I'm with you baby, I go out of my head

(I just can't get enough, I just can't get enough)

All the things you do to me and everything you said

(I just can't get enough, I just can't get enough)

We slip and slide as we fall in love

And I just cant seem to get enough oooh

We walk together, were walking down the street

(I just can't get enough, I just can't get enough)

Every time I think of you I know we have to meet

(I just can't get enough, I just can't get enough)

Its getting hotter, its our burning love

And I just cant seem to get enough oooh

Yeaaah

I just cant get enough

I just cant get enough

I just cant get enough

(I just cant get enough)

(repeat 8x)

And when it rains, you're shining down for me

(I just can't get enough, I just can't get enough)

Just like a rainbow you know you set me free

(I just can't get enough, I just can't get enough)

You're like an angel and you give me your love

And I just cant seem to get enough oooh

Just cant get enough

I just cant get enough

I just cant get enough

(I just cant get enough) (repeat)
