Tell me baby in the night do you think of me?  
When you open up your eyes am I there?  
ARE YOU standing by my window when I'm asleep?  
Why you quiet when you know that I'm near?

You know I love you  
You thought I would leave you  
But baby I've got you still  
You think you want to be by yourself don't you?  
But baby you never will

If this is love  
Then I don't wanna know what is  
I won't say another word  
If this is love  
Then I'm about to hit OR MISS  
Were both going to get hurt if this is love  
If this is love (yeaahh)

Are you picturing me lying across your bed?  
Are you thinking you were wrong to hurt me?  
I forgive you, I'll forget everything you said  
You will love, and you will not desert me

You think I'm crazy  
I'm not I'm your baby  
I promise I'll always be  
You think eventually  
this too will pass  
But I promise I'll never leave  
if this is love  
Then I don't wanna know what is  
I won't say another word  
If this is love  
Then I'm about to hit OR MISS  
Were both going to get hurt if this is love  
If this is love (If this is love)

Baby, baby if this is love  
I don't know what I'm gonna do  
Don't know what I'm gonna do  
Baby, baby if this love I will not accept it I will not if this

is

If this is love  
Then I don't wanna know what is  
I won't say another word (no, no)  
If this is love (ooh ooh)  
Then I'm about to hit on this  
Were both going to get hurt if this is love  
IF THIS IS LOVE

Then I don't wanna know what is (oh yeah)  
I won't say another word (ooh)  
If this is love  
Then I'm about to hit on this  
Were both going to get hurt if this is love  
IF THIS IS LOVE  
If this is love  
If this is love  
(Yeah)
