Ohhh Yeah  
Sometimes  
I Feel like Iâ'm going out of  
My mind  
Boy the way you do me is a  
damn crime  
But then you smile at me and itâ's  
all right  
With you there aint no in between

Every time that I walk out the door  
Tell myself I won't take it no more  
Thereâ's a part of me won't let you go  
I keep saying yes when my minds saying no

Me and my heart we got issues  
Donâ't know if I should hate you or miss you  
Damn, I wish that I could resist you  
Can't decide if I should slap you or kiss you  
Me and my heart we got issues issues issues  
We got issues issues issues

Its so wrong  
boy you leave me hangin' for  
so long  
You empty out my love until itâ's  
all gone  
You change the words but still it's the  
same song  
Iâ'm tired of the melody

Change my number and throw out your clothes  
But my feelings for you it still shows  
I keep building the walls round my heart  
But then I see you and it all falls apart

Me and my heart we got issues  
Donâ't know if I should hate you or miss you  
(damn I wish)  
Damn, I wish that I could resist you  
(Canâ't decide if I should)  
Can't decide if I should slap you or kiss you

(Me and my heart)  
Me and my heart we got (Ooooh)  
Issues issues issues  
We got issues issues issues

Why fight it cant hide it  
Truth is I think I like it  
Confusion illusion  
Still I don't know which way to go

Me and my heart we got issues,  
Don't know if I should hate you or miss you  
Damn I wish that I could resist you  
Can't decide if I should slap you or kiss you  
(Me and my heart we gotta work this thing out)  
Me and my heart we got issues,  
Don't know if I should hate you or miss you  
(I don't know)  
Damn I wish that I could resist you  
(Can't decide if I should)  
Can't decide if I should slap you or kiss you  
Me and my heart we got  
Issues issues issues (Issues oooh)  
We got issues issues issues

Issues issues issues (Me and my heart)  
We got issues issues issues  
(Can't decide which way to go)
