Oh, oh, when I'm with you baby, I go out of my head
I just can't get enough, I just can't get enough
All the things you do to me and everything you said
I just can't get enough, I just can't get enough
We slip and slide as we fall in love
And I just can't seem to get enough, oh

We walk together, we're walking down the street
I just can't get enough, I just can't get enough
Every time I think of you I know we have to meet
I just can't get enough, I just can't get enough
It's getting hotter, it's our burning love
And I just can't seem to get enough, oh, yeah

I just can't get enough
Just can't get enough, I just can't get enough

I just can't get enough, I just can't get enough
I just can't get enough, I just can't get enough
I just can't get enough, I just can't get enough
I just can't get enough, I just can't get enough

And when it rains, you're shining down for me
I just can't get enough, I just can't get enough
Just like a rainbow you know you set me free
I just can't get enough, I just can't get enough
You're like an angel and you give me your love
And I just can't seem to get enough, oh

Oh oh, just can't get enough, I just can't get enough
Oh oh, I just can't get enough

I can't get enough
I just can't get enough, I just can't get enough
I just can't get enough, I just can't get enough
I just can't get enough, I just can't get enough
I just can't get enough, I just can't get enough

I just can't get enough, I just can't get enough
I just can't get enough, I just can't get enough
I just can't get enough, I just can't get enough
I just can't get enough, I just can't get enough

Get enough
