I see you falling  
Falling for me  
That's not the thing to do  
I'll tell you straight up now  
Listen while i'm saying now  
I'll play you like a fool

You think i'm pretty such a pity  
Don't know what you've got  
And wife material is something that i'm really not  
Don't even think about taking me to momma's house  
Taking me to momma's house

I warned you from the start  
But boy i'm not that kind of girl  
I'm gonna break your heart  
Tear it up cause that's the way I work  
No i'm that woman  
I'm free to roam  
Won't blow your kisses  
Down the telephone  
I want you from the start  
But boy i'm not that kind of girl  
But boy i'm not that kind of girl

I won't pretend i'll be the girl on your arm  
Don't need no Mr. right  
Forget the fancy things  
I ain't looking for no strings  
You've got me just for tonight

You think i'm pretty such a pity  
Don't know what you've got  
Your little sweet and sugar something that i'm really  
not

Don't even think about taking me to momma's house  
Taking me to momma's house

I warned you from the start  
That boy i'm not that kind of girl  
I'm gonna break your heart

Tear it up cause that's the way I work  
No i'm that woman  
I'm free to roam  
Won't blow your kisses  
Down the telephone  
I warned you from the start  
That boy i'm not that kind of girl  
No i'm not that kind of girl

Being good's not my thing  
I like to walk on the dark side  
Love's a stranger to me  
But we can ride  
Yeah we can ride tonight

I warned you from the start  
That boy i'm not that kind of girl  
I'm not that kind of girl  
I'm gonna break your heart  
Tear it up cause that's the way I work  
That's the way I work  
No i'm that woman  
I'm free to roam  
Won't blow your kisses  
Down the telephone  
I warned you from the start  
That boy i'm not that kind of girl  
Not that kind of girl  
That boy i'm not that kind of girl
