[Vanessa] Remember the night when you left me, I
thought my world was ending
[Rochelle] I felt a physical pain, was a victim of a lost
love game
[Una] Didn't believe it was over, a vision of you with
another
[Mollie] I know it hurt my pride, but it hurt much more
when the dream had died
[Frankie] I'm leaving the past behind me, I'm gonna
move on and find me

I'm ready to rise, I'm ready to rise..
I'm ready, I'm ready, I'm on my way let the music play
I'm ready to rise, I'm ready to rise..
I'm ready, I'm ready, I'm on my way let the music play

[Vanessa] Don't need to catch me I won't fall, Not
waiting around for your phonecall
[Una] I heard you want me back, well I'm sorry boy,
there's no chance of that
[Mollie] I'm all dressed up and you don't know, I'm
hitting the highs and I'm over lows
[Rochelle] I know what I'm about [Frankie joins] cos I'm
feeling good and you're missing out
[Frankie] I'm not that girl any longer, [Rochelle joins]
every minute I'm getting stronger

I'm ready to rise (I'm ready to rise), I'm ready to rise
(I'm ready to rise)..

I'm ready (I'm ready), I'm ready (I'm ready), I'm on my
way let the music play
I'm ready to rise (I'm ready), I'm ready to rise (I'm
ready)..
I'm ready, I'm ready, I'm on my way let the music play

[Una] Let the music, let the music play
Let the music, let the music play, yeah yeah yeah yeah

[Una] I'm ready to rise, I'm ready to rise...
I'm ready, I'm ready, I'm on my way let the music play
[Vanessa] I'm ready to rise

I'm ready to rise (I'm ready to rise), I'm ready to rise
(I'm ready to rise)..
I'm ready (I'm ready), I'm ready (I'm ready), I'm on my
way let the music play (oh yeah)
I'm ready to rise (I'm ready), I'm ready to rise (I'm
ready)..
I'm ready (yeah), I'm ready (I'm ready), I'm on my way
let the music play
