I'm walking home one winter night,  
As the party is over I try not to think about you.

Now I can't wait for the morning light,  
Cause the feelings inside me they totally ruin my mood.

Crazy I know  
But I'm scare to fall  
In a place I've been to before  
Not a part of my plan

I'm falling out of control in love  
For the first time  
Girls, don't be loosing your head with love  
(No no)  
Keep him at a distance  
Guarding your position  
I try so hard but love will always get it's way  
Why me why now?

It's gone too far no I can't rewind  
Though my conscious is calling me  
Finding it hard to refuse  
No one resist as I confide  
Don't go feeding the fire  
And it's slowly burning you

I may not know  
Where I'm heading for  
So I think I better get wise  
And just enjoy

Ooo... why your running don't hide  
Ooo... when is there any time  
Ooo... ho... ho...

I'm falling out of control in love  
For the first time  
Girls, don't be loosing your head with love  
(No no)  
Keep him at a distance

Guarding your position  
I try so hard but love will always get it's way  
Why me why now?

I'm falling out of control in love  
For the first time  
Girls, don't be loosing your head with love  
(No no...)
