Wish I didn't know
Wish I didn't know
I wish I didn't know
Wish I didn't know
I wish I didn't know
I didn't know
Didn't know
Know
Know
Know

I've never ever had someone I could call the one
Nobody's ever moved me quiet the way you've done

Why would I ever think of you not by my side?
Impossible to picture you not in my life

So why am I sad here wiping away these tears?
And why am I lying, trying to unveil this fear?

Seeing the laughter in your eyes
Seeing the smile I thought was mine
Watching you kiss her lips goodbye
Things I wish I didn't know

If I could wipe this memory
Go back to when that girl was me
The day that I should've stayed with him
And I wish I didn't know

Wish I didn't know
Wish I didn't know
I wish I didn't know
Wish I didn't know
I wish I didn't know
I didn't know
Didn't know
Know
Know
Know

I'm lying here beside you, trying to block it out my mind

Just knowing that she touched you, kills a little more
inside
Oh

I don't wanna confront you, cause you're only gonna lie
But what's it gonna do, just sit around and watch love
die?

So why am I sad here wiping away these tears?
And why am I lying, trying to unveil this fear?

Seeing the laughter in your eyes
Seeing the smile I thought was mine
Watching you kiss her lips goodbye
Things I wish I didn't know

If I could wipe this memory
Go back to when that girl was me
The day that I should've stayed with him
And I wish I didn't know

Wish I didn't know
Wish I didn't know
I wish I didn't know
Wish I didn't know
I wish I didn't know
I didn't know
Didn't know
Know
Know
Know

I feel busy to lie in
In my heart, still lives to you

Seeing the laughter in your eyes
Seeing the smile I thought was mine
Watching you kiss her lips goodbye
Things I wish I didn't know

If I could wipe this memory, oh
Go back to when that girl was me
The day that I should've stayed with him
And I wish I didn't know

Wish I didn't know
Wish I didn't know
I wish I didn't know
Wish I didn't know
I wish I didn't know
I didn't know

Didn't know
Know

Wish I didn't know
Wish I didn't know
I wish I didn't know
Wish I didn't know
I wish I didn't know
I didn't know
Didn't know
