Wordshaker

[Rochelle:]

Oh boy

Yeah

Yeah yeah

Baby, I got you on my answering machine on replay

This is getting difficult in my say

Stutters on my mind when you approach me

With soft untrusting words

[Mollie:]

Velvet lining's on your language

[Una:]

Boy you got me hanging but it's so hard to hold on

[All:]

You're such a wordshaker

Talk and you take it back

Twisting turning

You're such a wordshaker

I gotta shut you up

Your lips are burning

First you say yes then no

When you are ready then

Baby let me know

You're such a wordshaker

Talk and you take it back, back

Shaking me off my track

[Vanessa:]

Baby i tell you that's impossible

And you aren't speaking

This is so unfair and i'm so deep in

My head above the water still i'm sinking

So please make up your mind

[Rochelle:]

Velvet lining's on your language

[Frankie:]

Boy you got me hanging but it's so hard to hold on

[All:]

You're such a wordshaker
Talk and you take it back
Twisting turning
You're such a wordshaker
I gotta shut you up
Your lips are burning
First you say yes then no
When you are ready then
Baby let me know
You're such a wordshaker
Talk and you take it back, back
Shaking me off my track

[Vanessa:]

Oh you're such a wordshaker

[Rochelle:]

Velvet lining's on your language

[Vanessa:]

Boy you got me hanging but it's so hard to hold on

[All:]

You're such a wordshaker
Talk and you take it back
Twisting turning
You're such a wordshaker
I gotta shut you up
Your lips are burning
First you say yes then no
When you are ready then
Baby let me know
You're such a wordshaker
Talk and you take it back, back

[Una:] (take it back, take it back, take it back)

Shaking me off my track

Talk and you take it back
Twisting turning
You're such a wordshaker
I gotta shut you up
Your lips are burning
First you say yes then no
When you are ready then
Baby let me know
You're such a wordshaker

Talk and you take it back, back
Shaking me off my track

[Una:]
You're such a wordshaker
Ooh
