"Addicted"

Girls on the west coast, girls on the east coast.
All them girls ain't nothing but trouble,
I can't live with them, and I can't live without them.

And anywhere you go now, (everywhere you go now)
They ain't gonna slow down. (they aint gonna slow
down)
When I get closer it's just like I predicted.
I wanna get away, but I think that I'm addicted.

Doo Doo Doo Doo
Doo Doo Doo Doo
Oh Oh
Just like I predicted.

Doo Doo Doo Doo
Doo Doo Doo Doo

Oh I think that I'm addicted.

Girls on the outside, locking into my eyes
Sugar in my vains, and I don't know what to do.
And I wanna get my vicks cause I got a sweet tooth.

Girls on the inside, the way you got you tongue-tied.
(The way you got you tongue-tied)

Catch you playing games and don't matter how ya roll,
Cause if ya lose if ya do, and you lose if you don't
and....

Doo Doo Doo Doo
Doo Doo Doo Doo
Oh Oh
Just like I predicted.

Doo Doo Doo Doo
Doo Doo Doo Doo
Oh no, I think that I'm addicted.

Doo Doo Doo Doo
Doo Doo Doo Doo
Oh Oh
Just like I predicted.

Doo Doo Doo Doo
Doo Doo Doo Doo
Oh no, I think that I'm addicted.

She said she's gonna be my baby,
The truth is she's gonna drive me crazy.
Hold up I gotta beat my habit,
These girls are making me an addict.

She said she's gonna be my baby,
The truth is she's gonna drive me crazy.
Hold up I gotta beat my habit,
These girls are making me an addict.

Girls on the west coast, girls on the east coast.
Girls on the west coast, girls on the east coast.
Girls on the west coast, girls on the east coast.
Girls on the west coast, girls on the east coast.
