All my girls in the club
Sing we got it
(We got it)
And move that body all up on me
All my girls in the club
Sing we got it
(We got it)
Everybody get to see

No cell phone,
No sleep tonight
Girl I just wanna make you sweat
And ohh, we're free dressing
Gonna be a night you won't forget
Shawty got a tight dress on
Gotta get her low like a great song
Suckin that straw between her teeth
And she's rocking to the beat

Tonight let's get it on
Tonight let's get it on
Everybody sing along,
Tonight let's get it on
All my girls in the club
Sing we got it
(We got it)
And move that body all up on me
All my girls in the club
Sing we got it
(We got it)
Everybody get to see

Now I'm movin, in the VIP
With the hottest girl by my side
And you know I can seal the deal
From bumpin' till the morning rise
(Bumpin till the morning...)
She like to party with the bands
And I'm trying to make her leave her friends
And she don't want romance,
Man these girls just wanna dance

Tonight let's get it on
Tonight let's get it on
Everybody sing along,
Tonight let's get it on
All my girls in the club
Sing we got it
(We got it)
And move that body all up on me
All my girls in the club
Sing we got it
(We got it)
Everybody get to see

Everybody we got it!
(We got it)
We got it!
(Got it)
We got it!
(We got it)
We got it!
Everybody, we got it!
(We got it)
We got it!
(Got it)
We got it!
(We got it)
We got it!

Tonight let's get it on
Tonight let's get it on
Everybody sing along,
Tonight let's get it on
All my girls in the club
Sing we got it
(We got it)
And move that body all up on me
All my girls in the club
Sing we got it
(We got it)
Everybody get to see
All my girls in the club
Sing we got it
(We got it)
And move that body all up on me
All my girls in the club
Sing we got it
(We got it)
Everybody get to see
