He's climbin in your windows
he's snatchin your people up
tryna rape em so y'all need to
hide your kids, hide your wife
hide your kids, hide your wife
hide your kids, hide your wife
and hide your husband
cuz they're rapin errbody out here
you don't have to come and confess
we're lookin for you
we gon find you
we gon find you
so you can run and tell that,
run and tell that
run and tell that, homeboy
home, home, homeboy

we got your t-shirt
you done left fingerprints and all
you are so dumb
you are really dumb--for real
you are really, really, really, really so dumb
i was attacked by some idiot in the projects
so dumb, so dumb, so dumb, so

He's climbin in your windows
he's snatchin your people up
tryna rape em so y'all need to
hide your kids, hide your wife
hide your kids, hide your wife
hide your kids, hide your wife
and hide your husband
cuz they're rapin errbody out here
you don't have to come and confess
we're lookin for you
we gon find you
we gon find you
so you can run and tell that,
run and tell that
run and tell that, homeboy
home, home, homeboy
Bout 5'9", 5'10"

coffee complexion, low cut like a caesar
with some little waves in his head
clean cut, very smooth face
seen my sister when i walked in
he had his hands around her neck
first thing was to pull him off of her
and that's what i did

he's climbin in your windows
he's snatchin your people up
tryna rape em so y'all need to
hide your kids, hide your wife
hide your kids, hide your wife
hide your kids, hide your wife
and hide your husband
cuz they're rapin errbody out here
you don't have to come and confess
we're lookin for you
we gon find you
we gon find you
so you can run and tell that,
run and tell that
run and tell that, homeboy
home, home, homeboy
well, obviously we have a rapist in Lincoln Park
are you serious, my boy?
i got your t-shirt
i got your scent
i know what shoe size you wear, my boy
so you can run and hide
but we're gonna find you, find you

he's climbin in your windows
he's snatchin your people up
tryna rape em so y'all need to
hide your kids, hide your wife
hide your kids, hide your wife
hide your kids, hide your wife
and hide your husband
cuz they're rapin errbody out here
you don't have to come and confess
we're lookin for you
we gon find you
we gon find you
so you can run and tell that,
run and tell that
run and tell that, homeboy
home, home, homeboy

he's climbin in your windows
he's snatchin your people up

tryna rape em so y'all need to
hide your kids, hide your wife
hide your kids, hide your wife
hide your kids, hide your wife
and hide your husband
cuz they're rapin errbody out here
you don't have to come and confess
we're lookin for you
we gon find you
we gon find you
so you can run and tell that,
run and tell that
run and tell that, homeboy
home, home, homeboy

Our family we don't run around cryin
and actin sad
We just dust our shoulders off and
keep on movin
