[Chorus]

[x2]

You are the one  
The only one  
You are my Lady  
(Lady, Lady)  
I give you my ring  
This is our thing  
You are my Lady  
(uh. uh)

[x2]

Lady Lady  
You got me going crazy  
Stuck by my side  
Never did you act shady

[Verse 1]

I like them things you do  
Things you like to say  
The things that keep us happy  
The things that keep us dazed  
Runaway with my heart  
In Spanish  
Mi amor  
Ima give you my rent  
So Lady I adore  
Your beautiful smile  
Your beautiful kiss  
Your beautiful hips  
Your beautiful lips  
Uh, never miss  
Tenderonie  
Just be my one and only  
Never leave me lonely  
'cause you're the one for me  
You keep a positive vide  
When I got you by my side  
Your looks mesmerize  
But your touch is notarized  
Never criticize the way I live  
And the things I do

That why im keepin it true  
And giving this ring to you boo

[Chorus]

[x2]

You are the one  
The only one  
You are my Lady  
(Lady, Lady)  
I give you my ring  
This is our thing  
You are my Lady  
(uh. uh)

[x2]

Lady Lady  
You got me going crazy  
Stuck by my side  
Never did you act shady

[Verse 2]

Your so tough  
A diamond in the rough  
A jewel neva touched  
24krt ???  
You mean so much  
To let me be your Casanova  
Smellin like genova  
While you drinkin casadora  
Senora your specially out  
With that sexy lingo  
You make a player feel good  
On this pop single  
Mingle with your hair  
'cause it looks so exotic  
When we on your back  
And your skin hypnotic  
And baby your so fine  
So lets go out and dine  
Oceans at the beach  
With the burgundy wine  
This is our time  
And end it out with a kiss  
This is our thang  
So baby lets take it serious
