[Intro]:

This is Mr. Capone-E
Talk about my angel (Pretty Lady)
With Magic From NB Ridaz
Com' On

[Chorus]:

To me your like an angel (oooh)
Someone that was sent to me (sent to me)
From the heavens up high (heaven)
To make everything alright (heaven must have sent
you)
This is why I love you baby (You Know I Love You)
Oh I Love you (I Love You)
(You are My Angel)

[Verse 1 Mr. Capone-E]:

You are my angel
The righteous woman in this world
You stood by myself
You're my pretty girl
Callin' you on the phone is Mr. Capone
Baby girl I'm for real, never leave you alone
Those fine words you say, you've gotten me amazed
To find a love like you
Only god I got praised for
For all the right reasons
You've been sent to me
I'm passionate
Wantin' to speak that you're my special lady
Oh Baby, Baby
Words cannot describe
With your brown sugar eyes
You've gotten me hypnotized
So I dedicate this song
From me to you
I can be your one and only
You can be mine too

[Chorus]:

To me your like an angel
Someone that was sent to me (sent to me)

From the heavens up high (heaven)
To make everything alright (heaven must have sent
you)
This is why I love you baby (You Know I Love You)
Oh I Love you (I Love You)
(You are My Angel)Com' On Com' On

[Verse 2 MC Magic]:

You're my angel, my dream, my everything
Recuerdo aquel dia que te conoci
We made a promise
That we'd always stay true
Ever since that day I've been there for you
Give me your hand mami'
And Imma love you right
And I won't stop till I see the morning light
I want to kiss you in all the right places
Get you all excited and keep your heart racing
Una Bonita from around the way
Knows how to treat a man each and everyday
Por eso mismo te mando mi amor
Cause imma love you till the end and never let you go

[Chorus]:

To me your like an angel
Someone that was sent to me (sent you)
From the heavens up high (heaven)
To make everything alright (heaven must have sent
you)
This is why I love you baby (You Know I Love You)
Oh I Love you (I Love You)
(You are My Angel)

[Verse 3 Mr.Capone-E]:

Back again baby, baby your the one for me
You bring light to my life, your my cup of tea
Wake up in the morning just to give you a kiss
Just make sure your by my side with your beautiful lips
Sexy Senorita, I trust in you
You're my spiritual waking
When I'm misty blue
Somebody told me that this could last forever
Put my faith in the heaven that brought us together
Holding hands at the park,
After dark
Gazing at the stars
Never see us apart
But for now I'm gonna sing you this song
You're my angel sent to me
So I can't go wrong

[Chorus]:

To me your like an angel

Someone that was sent to me (sent to me)

From the heavens up high (heaven)

To make everything alright (heaven must have sent
you)

This is why I love you baby (You Know I Love You)

Oh I Love you (I Love You)

(You are My Angel)

[Hook]:
