(feat. Brenton Wood)

[Capone:]

Hey Wassup Brenton

Know Wat Im Sayen

I Got This Gurl From Way Back In The Days

Little Girl

You Know Always Wanting To Be My Lady

You Got Some Advice On That Brenton

[Brenton:]

You Know Man

You Know How Be Trying To Tell People

For A Long Time Telling People

For A Long Time

I Talk About Songs Like Me And You

Maybe You Got It

Sometimes Those Songs Will Get You Over

You Know You Might Wanna Look Into It Might Be A

Good Thing

[Capone:]

Is That Right

Well Check This Out Lady All I Wanna Tell You Is

Take A Chance On Me

[Verse 1:]

Take A Chance On Me And That's All That I Rest

From Day One My Loves Been Waiting Here

Just To Connect Respecting Your Wishes Wating For

The Happy Day

That I Could Say You're My Wife

And That You're Here To Stay But I Pray As I Sing You

This Poem I Wrote

And If You Would Be A Flower I Would Call You A Rose

Those Days Remember When I Straight Snuk Into Your

House

Late Night Telling You That I Loved Without A Doubt

But You Told Me My Last Step Was Fast And Wrong

Your Dad Wont Approve So Were Not

Allowed To Get Along But We Stay Stronge

Hopeing Things Would Change

Being In A Lots Of Kinds Of Trouble

But His Opions Never Changed

Please Runaway and Let Me Take You With Me  
Dreams Of Reality  
Getting Rid Of All The Agony And Extasy  
Believe In Me  
Give Me The Time To Romance  
And With The Thick And Thin  
All I Ask Is For A Chance

[Chorus:]

Why Wont You-U-U-U Take A Chance On Me-E-E-E-E-E-E  
(Yeah Baby)  
And Let Me Show You  
(Let Me Show You Baby)  
How Wonderful True Love Can Really Be  
I Could Love For All Eternity-Y-Y-Y  
Take A Chance On Me-E-E-E-E  
(Aww Baby)

[Veres 2:]

Together Wherther You Give Me A Chance Im Here In

Like In The Park In The Dark The First Kiss I Still Miss  
Hold Hands Back To Back You Heard I Was A Player But
