Who knows what tomorrow brings,
In a world, where few hearts survive,
All I know, is the way I feel,
When it's real, I keep it alive,

The road is long,
There are mountains in our way,
But we climb a step every day,

Love lift us up where we belong,
Where the eagles fly, on a mountain high,
Love lift us up where we belong,
Far from the below,
Up where the clear winds blow.

Some hang on to "used-to-be",
Live their lives looking behind,
All we have is here and now,
All of our lives, out there to find.

The road is long,
There are mountains in our way,
But we climb a step every day.

Love lift us up where we belong,
Where the eagles fly, on a mountain high,
Love lift us up where we belong,
Far from the world below,
Up where the clear winds blow.

Time goes by, (time goes by)
No time to cry, (no time to cry)
Life's you and I, alive, today.

Love lift us up where we belong,
Where the eagles fly, on a mountain high,
Love lift us up where we belong,
Far from the world below,
Up where the clear winds blow.

Love lift us up where we belong,

Where the eagles fly, on a mountain high,
Love lift us up where we belong,
Far from the world below,
Up where the clear winds blow.
