Ohhh yea yea yahhh
All right
All right
All right
Oh its not too late
Its not too late
I mean everyone, everyone
We seal our fate.
Lord, its not too much,
For me to say,
This whole thing is our
Responsibility.

And I mean everyone, everyone
Is under jah sun, is your sun
I mean everyday, everyday,
Oh yea. We're all here, we're all here. Yea
No use in fighting your brother, oh
We are all in it together
This whole earth is your mother, oh
And I work for the father.

Its not too late
Its not too late

I mean everyone, everyone
We seal our fate yea, lord
Its not too much, for me to say
This whole thing is our
Responsibility.

And I mean your hands, your hands
Are part of his plan, his plan
Its like we're all here,
We're all here for one reason and its clear.
Yea no use in fighting your sister
There no way you can get her
I mean this whole earth is your mother,
And I work for the father.

Its not too late
Oh yea yea yahh

All right
Oh, its not too late
Oh yea yea yahhh
All right
Yea
