The sky is raining cats and dogs  
A crazy moon is out tonight  
I kissed the hangmans daughter  
So I had to run away and hide

The is howling through the mist  
I can not find my way tonight  
I've done the judges daughter  
No the say she's got to be my bride

I want you to be the saviour of me

Hey rose of ballymore  
I'm standing at your door  
Hey rose hear my plea  
And shelter me  
Hey rose of Ballymore  
I'm standing at your door  
Hey rose hear my plea  
And mercy me, mercy me

The houndogs keep a howling  
Thousand demons are so close to behind  
I kessed the bishop's daughter  
Well I simply must have lost my mind

I want you to see my true misery

Hey rose of ballymore  
I'm standing at your door  
Hey rose hear my plea  
And shelter me  
Hey rose of Ballymore  
I'm standing at your door  
Hey rose hear my plea  
And mercy me, mercy me

I want you to be the saviour  
I want you to see my true misery

Hey rose of ballymore

I'm standing at your door  
Hey rose hear my plea  
And shelter me  
Hey rose of Ballymore  
I'm standing at your door  
Hey rose hear my plea  
And mercy me, mercy me
