You can search the world for signs of life  
and realize the truth is in your Heart  
you can try to become who you want  
and never get away from who you  
Are you can trust another like no other  
watch them fall and then you fall Apart  
it tears you apart  
I've always seen myself alone but in my darkest hours  
There you are  
Where's my guitar

Chorus:

So I Can Say Oh Now Oh Now Oh Now Now Now Now  
Now (2x)  
Oh Now You Gotta Slow Down  
Oh now all I have Is Now  
Oh Now oh Now now now now

I've been all around the world to find it  
travel east and west like everyday  
I've been high and low since I have lost it  
how do I get back to yesterday  
it feels like a game  
I have seen the look in peoples eyes sometimes  
and all I do is chase them away, I chase them away  
cause I have been all around the World to find it  
every time I do I don't let is stay  
I chase it away, so now I say...

Chorus

Oh Now Oh Now Oh Now Now Now Now Now (2x)  
Oh Now You Gotta Slow Down  
Oh now all I have Is Now  
Oh Now oh Now now now Oh now yea

Oh now you got slow down.
