i remember years ago  
someone told me i should take  
cautions when it comes to luv  
i did i did  
yu was stronge and i was not  
my illusion my mistake i was careless  
i forgot i did  
and now all this the was nothing to say  
yu were gone in so effortlessly  
yu have won yu gone ahead tell them tell them  
all i know now shout it from the roof tops  
write it on the sky luv all  
we had is gone now  
tell them i was happy and my heart is broken  
all my scars are open  
tell them what i hoped would be impossible(4X)  
Falling out of luv is hard  
Fallin for betrayal worst  
broken trust and broken hearts  
i know i know  
thinking all yu need is there  
build faith on luv is worst  
empty promises will wear  
i know i know  
And now when is all is gone  
there is nothing to say  
and if yur done with emmbarissing me  
on yur own yu can go ahead tell them  
tell them all i know now  
shout it from the roof tops write it on the  
sky love all we had is gone now  
tell them i was happy and my heart is broken  
all my scars are open  
tell them what i hoped would be impossible
