oOo oOo oOo (X4)

You Said This Pain Was All My Fault
I Had No Shame Or Heart At All
You Cursed The Hell I Put You Through
Well Pardon Me For Askin You..

CHORUS
If I Was So Bad
Why Do You Want Me Back
Tell Me That
Why Do You Want Me Back
If I Was So Bad
Why Do You Want Me Back
Just So You Can Break My Heart Again
Just So You Can Break My Heart

When The Whole Thing Crashed So Wrecklessly
You Pointed Your Finger Straight At Me
I Fought Too Hard, Yelled Too Loud
That's What You Said When You Walked Out

CHORUS
If I Was So Bad
Why Do You Want Me Back
Tell Me That
Why Do You Want Me Back
If I Was So Bad

Why Do You Want Me Back
Just So You Can Break My Heart Again
Just So You Can Break My Heart

oOo oOo oOo oOo

If Half What You Said About Me Is True
And You Still Love Me
What Does That Say About You?

You Spread So Many Rumors 'Round
I'm A Legend In This Town
And Now You're Beggin At My Door

Funny Back For More

CHORUS
If I Was So Bad
Why Do You Want Me Back
Tell Me That
Why Do You Want Me Back
If I Was So Bad
Why Do You Want Me Back
Just So You Can Break My Heart Again
Just So You Can Break My Heart

Just So You Can Break My Heart Again
Just So You Can Break My Heart
