We Never Even Knew What We Were Building  
But We Knew When It Was Done  
We Made These Bricks  
And Laid Them One By One  
Now Look At What We've Created  
Out Of Heartache, Silence And Tears  
Something This High Wasn't Made In A Night,  
It Takes Years

### CHORUS

If I Had A Ladder  
Would I Climb Up To The Top  
And If I Saw The Chance  
Jump And Run And Never Stop  
If I Had A Ladder  
Would I Look Down  
Just To See That It's Not As High Or Wide  
As We Swore It Had To Be  
This Wall We Built Between Us Might Not Matter  
If I Had A Ladder

Now What's The Point In Pointing Fingers  
That Won't Make It Fall  
We Both Did Our Share To Make It Rise  
In The Air This Tall

### CHORUS

If I Had A Ladder  
Would I Climb Up To The Top  
  
And If I Saw The Chance  
Jump And Run And Never Stop  
If I Had A Ladder  
Would I Look Down  
Just To See That It's Not As High Or Wide  
As We Swore It Had To Be  
This Wall We Built Between Us Might Not Matter  
If I Had A Ladder

I Can't Do This Alone  
I Wanna Get There With You  
Cause, Baby The View Is Beautiful. Beautiful

CHORUS

If I Had A Ladder  
Would I Climb Up To The Top  
And If I Saw The Chance  
Jump And Run And Never Stop  
If I Had A Ladder  
Would I Look Down  
Just To See That It's Not As High Or Wide  
As We Swore It Had To Be  
This Wall We Built Between Us Might Not Matter  
If I Had A Ladder

No This Wall We Built Between Us Might Not Matter  
If I Had A Ladder

If I Had A Ladder
