What do the neighbors say
When they hear us scream at night
Do they talk about a love all in tatters
What do the neighbors know
About the heart and soul
The fire down below that really matters
They can never guess in the silences
That all I want is you
And the sexy hurricane we got here, oh, babe

All I want is you
I don't want a man who says "Good morning, dear", no,
I don't
(All I want is you, all that I want is you)
(All I want is you, nobody else, no one but you)

Let 'em listen at the door
Let 'em listen through the floor
Let 'em go ahead and draw the wrong conclusion
So chase me 'round the room
Make me crazy like the moon
They can never guess in the silences
And all I want is you
And the sexy hurricane that we share (we share, yeah)

All I want is you
I don't want a man who tiptoes up the stairs, no, I don't
(All I want is you, all that I want is you)
(All I want is you, nobody else, no one but you)

They can never guess in the silences
That all I want is you (all I want is you)
And the sexy hurricane that we share, oh uh oh

All I want is you
I don't want a man who tiptoes up the stairs (he's gonna fall)
All I want is you
And your freight train
Whistlin' over my track, oh uh oh
All I want is you

And your Mack truck loving
Jumping me, Jack
Oh uh oh, Jack

(All that I want)
