Baby sneezes
mommy pleases
daddy breezes in.
So good on paper
so romantic
but so bewildering.

I know nothing stays the same

But if you're willing to play the game

it's coming around again.
So don't mind if I fall apart

There's more room in a broken heart
broken heart.

You pay the grocer
fits the toaster

you kiss the host good-bye.
Then you break a window
burn the souffle
scream a lullaby.

I know nothing stays the same
...

And I believe in love
but what else can I do?
I'm so in love with you.
I know nothing stays the same

But if you're willing to play the game

it will be coming around again.

I - Baby sneezes - I believe in love

Mommy pleases - I believe in love

Daddy breezes in - I believe in love.

I know nothing stays the same

But if you're willing to play the game

it will be coming around again.

I do believe

I do believe

I believe in love

I believe in love

Coming around again

coming around again!

Nothing stays the same

but if you're willing to play the game

It will be coming around again.

I believe in love

I believe in love

coming around again!
