We have no secrets  
We tell each other everything  
About the lovers in our past  
And why they didn't last  
We share a cast of characters from  
A to Z  
We know each other's fantasies  
And though we know each other better  
when we explore  
Sometimes I wish  
Often I wish  
That I never knew some of those  
secrets of yours

The water was cold  
The beach was empty but for one  
Now you were lying in the sun  
Wanting and needing no one  
Then some child came, you never  
asked for her to come  
She drank a pint of your rum  
And later when you told me  
You said she was a bore  
Sometimes I wish  
Oft times I wish  
That I never, never knew  
Some of those secrets of yours

In the name of honesty, in the name  
of what is fair  
You always answer my questions  
but they don't always answer my  
prayers  
And though I know you say that it's  
me that you adore  
Sometimes I wish  
Often I wish  
That I never, never, never knew  
Some of those secrets of yours  
Some of those secrets of yours  
Some of those secrets of yours

We have no secrets  
Telling each other most everything now
