I tried to wake up
But I see that I'm in trouble
It seems like were stuck
And our dreams have no tomorrow

I gave you my heart and I got pain
You and I were never right
In the dark I go insane
Until you shed some light

uh, uh, uh, yeah!

Tear me up, tear my heart to shreds
Rip my soul and then let me cry forever.
Tear me up, get it over with
You play innocent, but you're really frightening

I thought I knew you well
But you keep on changing colours
Under your spell
I'm your reluctant lover

I try to run, I try to hide
Now I'm crying on this ride
It's not fun I guess you like
To hear me scream at night

Tear me up, tear my heart to shreds
Rip my soul and then let me cry forever.
Tear me up, get it over with
You play innocent, but you're really frightening

oh oh oh
woaahh oh oh
oh oh oh
woah oh oh

running away, you only want me running away,
you only want me running away,
you only want me running away

Tear me up, tear my heart to shreds

Rip my soul and then let me cry forever.
Tear me up, get it over with
You play innocent, but you're really frightening
