Ooohhh...

Ok, yeah, yeah hey yo

I'm runnin wit my mans we got plans of gettin laid up

Sticky green burnin sittin on twenty's

Pocket full of money and we hollerin the honeys yo

Stress less of death and we let the chain swing

Makin ??? we out for the same thing

Hittin up the spot where they say is jumpin at

I'm straight ?? and man I'm bringin somethin back

Me and the wild one we just copped a nice one

And two brand new toys fuck the price done

Big nigga style say ? when I switch lanes

Stay doin big thangs smoke while I get brains

Line full of women can't wait to get in

Checkin mo sippin ?? mo spittin

Dancefloor packed do it in the doe stack

Those that hit the C is get it get the ??

Now where the hoes at? Let's get it on and poppin

Invite a few through, that's how the crew do

DJ got the crowd jumpin

The music from the speakers got the floor thumpin

I'm tryna run in sumthin

[Horace Brown]

We go straight from the top down to the flo'

We makin the crowds all the while down

Smokin about a pound

You know we be puttin it down

It's Mr. Cheeks and Ho Brown baby

Sex make the beats so crazy

You know we be knockin them out

So what are you talkin about

Yo, I got the cherry on G

With me up in V-I-P

And my bottles damn near empty

I got this chick talkin shit in my ear

The whole crowds hoppin out
