I like round ass but they most of like pussy,  
I met a white girl by the name of Suzy,  
I lick her so good it was all damm juicy, like a juicy  
lucy..

She had an ass like boom if you know what i mean  
and she didnt stopped screaming till' the sun came in,  
it was a little bit dark and I didnt saw a thing  
then she stopped and said: CAN YOU COME DOWN ON  
ME?...

So i get down on mt knees and then I saw her chocha  
and I put my sigar their and let the mother fucker burn  
-Burn mother fucker, (monkey love)...

Shave that pussy, shave it for me, you got to shave that  
pussy,  
shave that pussy, shave it for me, you've got to shave  
that pussy, PUSSY PUSSY.

Now ther's was a litle young fellow by the name of  
Dudik he "dood" aliya from Armenia looking for some  
bootie, chilling in the hood with his B.M.W wawing his  
friends and say:what's up with you?  
After a long day of searching he finally found a real  
lillte bitch to show her arond,  
he said:Dance with me mama, I have dollar dollar, yes  
you really should for I have a long slong'.

She got real hot and went for her penties  
but hold on, he reveald the bush beneath her penties,  
He said: Look now ho' you look real juicy but I won't go  
far till' you shave that pussy.

Shave that pussy, shave it for me, you got to shave that  
pussy,  
shave that pussy, shave it for me, you've got to shave  
that pussy, PUSSY PUSSY.
