She turned away

What was she looking' at

She was a sour girl the day that she met me

Hey!

What r u looking' at

She was a happy girl the day that she left me

She turned a way

What was she looking' at

She was a sour girl the day that she met me

Hey!

What were u looking at

She was a sour girl the day that she let me

Chorus:

What would u do?

What would u do if I followed u?

What would u do if I followed?

Don't turn away

What were u looking at

He was unhappy the day he met her

Say what r u looking at

I was a super man but looks r deceiving

The roller coaster was a lonely one

I paid a ransom note to stop it from steaming'

Hey what r u looking'

She was a teenage girl the date that she met me

Chorus 2:

What would u do?

What would u do if I follow u

What would u do if I followed?

What would u do if I followed u?

What would u do if I followed?

The girl got reasons

They all got reasons

Chorus 2

Hey what r u looking at

She was a happy girl the day that she left me

The day that she left me x2

She was a happy girl the day that she left me

The day that she left me x2

She was a happy girl the day that she left me

(Fade out) the day that she left me x2
