Rap:

Just to keep it one hun'ned
Never lyin', never frontin'
He's the one that be uncertain
Little mama we can work it
Come and chill
I keeps it real
I'm tryin'a holla
What's the deal?
These fake dudes are unreal
I know exactly how ya feel
Holla

Verse 1:

Don't think I'm not aware
Of all the things you dare
To do behind my back
Cause nobody knows you like I do
Lipstick on your collar there
Perfume all around your hair
Can't deny the fact
That nobody B.S's like you
I believed you 'til
I recognized the symptoms
Look what we have become
Oh, I know what happens now
Baby there's no crowd
Just you and me
I'm checkin ya, checkin ya, checkin ya ahhh

Chorus:

We kiss and we fight
Push away
Pull me tighter
We're up and we're down
Dance around
This encounter
This ain't no disco
Ain't no lie
Stop dancin' around
You love me
You hate me

You need me
You play me
Stop dancin' around
You front and you fake
Hustle me
You're mistaken
The beat's turned around
Face to face
Heart's are breakin'
This ain't no disco
Ain't no lie
Stop dancin' around
Stop dancin' around
Stop dancin' around the truth

Ah ah ah
Ah ah ah ah
Ah ah ah
Ah ah ah ah

Verse 2:
It's time that we come clean
Exactly what does it mean
That I can't turn you off
Nobody makes me feel like you do
It's like a bad disease
That makes me wanna please
My armor's goin' soft
Cause nobody B.S's like you

Bridge:
No more lyin'
No more cryin'
Cause we've been here before
No more sneakin'
No more creepin'
I don't need this anymore

Rap:
Whatchu mad at me for?
I thought I was good
You said it was cool
If I go to the club
But when I did it
You made it a crime
Here's some mascara
Make up your mind
Got nothin' to hide
So why would I cheat?
I got me a Stunner
Why would I leave?

Girl if I did it
Then I woulda left
If I'm dancin' around
Then I'm missin' a step
