They still want more...  
The more they get it, and the more they want  
Some will even try to take his brother's life away  
Just to achieve a bit, more and more

Talkin' 'bout hard drugs  
Come on everybody what you searching for?  
More and more  
Talkin' 'bout hard drugs  
The more they get it, they still want more

Said the stealer was away upon his ups and downs  
And men are like junkies all over town  
Say the first man who try it denial is surely gonna put  
them down,  
Lord knows

Talkin' 'bout hard drugs  
Come on everybody what you searching for?  
More and more  
Talkin' 'bout hard drugs  
The more they get it, they still want more

Said the stealer was away upon his ups and downs  
And men are like junkies all over town  
Say the first time they try it, denial is surely gonna get  
me down

Talkin' 'bout hard drugs  
Come on everybody what you searching for?  
More and more  
Talkin' 'bout hard drugs  
The more they get it, they still want more

They still want more  
Talkin' 'bout it, everyone is talkin' 'bout it  
Talkin' 'bout it, everyone is talkin' 'bout it

They still want more  
The more they get it, and the more they want  
Some will even try to take his brother's life away

Just to achieve a bit, more and more

Talkin' 'bout hard drugs  
Come on everybody what you searching for?  
Talkin' 'bout hard drugs  
The more they get it, they still want more  
Talkin' 'bout hard drugs

Talkin' 'bout hard drugs  
The more they get it, they still want more  
Talkin' 'bout hard drugs
