Gangster Love...

thats the way I wanna love you  
you know i wanna give you my gangster love  
you know its the way I wanna love you  
you know i wanna give you my gangster love  
im telling you baby girl i never ever felt like this  
the touch you give, the way you move, the way you  
seem to lick those lips  
i like the way you love me girl on the real i do we  
making it moves and  
making it love i making it this one just for you  
i got a fetish to get it taking trips out to venus  
walks in the sunset you know i gotta get it  
im a menace yeah criminal thats making it moves i live  
the life i dont  
think twice like criminal gots nothing to lose i stay g'd  
up but theres a  
price to pay for the things ive done in the pass i just my  
lose my life  
today and in the pass i gotta say youve always had my  
back cold days filled  
with drama girl i love you for that i have so many  
reasons to love you for  
all seasons when im away from home girl you keep a  
criminal feeling im a  
gangster baby girl showing you the gangster love im  
the reason that your  
dreaming and your fining for that...

Gangster Love...

i meet a girl that said she loves to ride with g's so  
guess what she wants  
to ride with me  
thats the way i wanna love you  
you know i wanna give you my gangster love  
i meet a girl that said she loves to ride with g's so  
guess what she wants  
to ride with me  
you know its the way i wanna love you  
you know i wanna give you my gangster love  
Ohhh...  
yes i love you...

c'mon yes i wanna give you my gangster love baby...  
you wanna get it...  
and you love me and i love you cuz your my gangster  
love...  
Damn baby girl i really really cannot stop your on my  
mind like all the  
time i loved to see you one more time  
feminine lady but could get crazy in a second the type  
of girl that i  
really respect perfected by your creative the make up  
of all the heavens  
keeping me in heaven while im with my baby so  
precious lets just get away  
me and you lets get some things ill treat you to the  
finer things of all  
the girls that got it big and when i meet you felt like i  
just hit the  
lottery agony and exctasy this gangster loves a receipe  
lets just be me and  
you all i do is keep it true baby girl and its all just for  
you im a  
gangsters showing a gangster love tell your daddy  
your in love with a thug  
not a scrub Criminals a banging thug always on the role  
steady stackin on  
my fuds but as soon as home i gotta get me some of  
that...  
Ganster Love...  
I meet a girl that said she loves to ride with g's so  
guess what she wants  
to ride with me  
thats the way i wanna love you  
you know i wanna give you my ganster love  
i meet a girl that said she loves to ride with g's so  
guess what she wants  
to ride with me  
you know its the way i wanna love you  
you know i wanna give you my gangster love  
sh sh sh yeah...  
uh uh uh uh yeah...  
gangster love...  
it aint nothing but a gangster love...  
sh sh sh yeah...  
nothing but a gangster love  
gangster gangster love
