or 10 plants up in  
my backyard Couple of thousand grams later,  
Criminal's comin' back hard  
My lungs are black tar couple of puffs away from  
cancer, but I still smoke  
up on that mineral like it was the answer I got the  
purple Crooked Doctors  
if you need a pass Bomber than what you get in the  
streets, just take a  
look at my glass I'm smokin' on OG Cush, Cali Mist and

your face for a  
couple of minutes and that's your ass Puff, puff, pass  
to the left shit

'round here if you do not  
like to smoke "All you do is smoke weed" words from

And I love you Mary Jane, baby girl, this right here's for  
you If I didn't  
have you by my side I don't know what I'd do You light
