Have u ever been taken to the point of no return*
Were u don't ever wanna go bak
No hurt, no pain, no fights, no acts
Listen up ladies I know uve been waiting for something
like this
Criminals coming with love letters 2
And I garante this one u won't wanna miss
I know uve been sad, but put on a smile
Light up the candles and put on the music real low
And I'll be there in a while
I know uve been fiendin, I know all the reason
Right now is the season, u better believe it
If u wanna play we can play
Just send the inventation and I'll be on my way
I'll bring the wipcream and alize
You can open up the door to some Longerie
Baby girl we can go to another world
Make u feel things that uve never ever dreamed
Now switching positions
I'll show you what you missing
I promise u baby I'm making u scream
And we can do all the freaky things that we can do
Baby girl yoy ontop of me, me ontop of you
If u wanna take a cruise we can rodevu
Cause I know you like it, I know you like it, I know you
Ike it, I know you
like it
And we can get a lil freaky between the sheets
If u wanna spend the night, baby u can spend the week
Freak wen u wanna freak
Baby girl I'll take u to your peak
Cause I know you like it, I know you like it, I know you
like it, I know
you like it
Let's just say I know a lot of things you like baby
Most of the things I got on my mind, I know will drive u
crazy
Come in my world
Hop in my ride
Take a lil cruise
Come for the vibe

I wanna show you, you ain't gotta be all stressed out
Matter of fact baby, let the stress out
I wanna love you girl, we can take it slow and easy
Any way you like it girl, better believe it
I wanna take u to the point in no return
Holding you, lovin you, kissing you, hugging you
With no concern
If I could do that baby girl just let me know right now
Just let Mr. Criminal show you how it's going down
And we can do all the freaky things that we can do
Baby girl yoy ontop of me, me ontop of you
If u wanna take a cruise we can rodevu
Cause I know you like it, I know you like it, I know you
like it, I know you
like it
And wr can get a lil freaky between the sheets
If u wanna spend the night, baby u can spend the week
Freak wen u wanna freak
Baby girl I'll take u to your peak
Cause I know you like it, I know you like it, I know you
like it, I know
you like it
