Mr. Criminal, ha ha
Nate Dogg

Chorus (Nate Dogg):

Mami mira
You're such a fine and such a sexy mamicita
Been on my mind girl since the first time that I seen ya'
If you were my girl I would never ever leave ya'
Senorita
Mami mira

Mr. Criminal:

It's Saturday night and I was up in the spot
I, looked at my watch and it was 11 o'clock
So uh, I looked up, and what did I see?
About 11 or 12 ladies in the VIP
A couple of hundred other people having fun like me
All at the bar, sippin' on Hennessey, with no I'd
So I creep, to the back just to post up
Sippin on Corona's
Where's Famingo with my cut?
I see some ladies on the dance floor getting down
Dancing, shaking, moving making love to the sound
There was this one that caught my eye she turned
around
With no surprise, "excuse me baby girl I like what I
found
Mami mira tu eres muy bonita chiquita linda mas fina
I was stuck when I seen ya"
I hit the bar, took 2 shots of tequila
Grabbed the lady by the hand and I had to tell her:

Chorus (Nate Dogg):

Mami mira
You're such a fine and such a sexy mamicita
Been on my mind girl since the first time that I seen ya'

If you were my girl I would never ever leave ya'
Senorita
Mami mira

Something about you mami
I'm feeling you girl can't you see that look in my eye?
Something about you mami
And the way you move you just keep blowin' my mind
Something about you mami
I could see me and you spending some quality time
Cuz you're so fine

Don't get it twisted
Poppin' up in the club
All eyes on us and they showin' us love
Mr. Capone and Criminal
Nate Dogg in the cut
Stretch limousine and we livin' it up
Don P baby
You should be a model
We're looking for some video hoes that want a bottle
And get faded with the greatest in the club
Chica bonita morena lovin' that what?
Lovin' that rush
Now throw it on up
We're having a parlay
And getting laid is a must
Waitress on hush
Tipped her a g
And big Nate Dogg tell the world about my

Chorus (Nate Dogg):
Mami mira
You're such a fine and such a sexy mamicita
Been on my mind girl since the first time that I seen ya'
If you were my girl I would never ever leave ya'
Senorita
Mami mira

So what's it gonna be?
I got a spot overlooking the ocean for you and me
You wanna come and see?
We can get away, just set a day aside
Call on me girl, any day and night
And I can't be your Superman but you can be my
playmate
Checkin' into hotels, checkin' out a day late
Making love from nightfall all the way to daybreak
Baby girl that's just my style never will I hesitate
So take a run with me girl
Won't you come with me?

Life at it's finest with you baby, that's what it comes to
be
And I ain't trying to put no ring on your finger
We just havin' a good time Nate Dogg sing it to her

Chorus (Nate Dogg):

Mami mira

You're such a fine and such a sexy mamicita

Been on my mind girl since the first time that I seen ya'

If you were my girl I would never ever leave ya'
