Hahaha you muthafuckers can't stop me  
Trying to plot on a real muthafucker  
That shit I'll blow up in your face ese(hahahahahahaha)  
I've been through too much muthafucking bullshit in my  
life  
To let some pitty ass chumps stop me homie

Can't stop won't stop ese  
Why why why  
I live that life of a rider  
Yeah yeah yeah  
Can't stop won't stop ese  
Why why why  
I live that life of a rider

Until they stop me bury murder me and drop me  
I'll be reppin it till my death give it up the west the tried  
to copy me  
But they sloppy all they do is sit back and just watch me  
I be spittin out so much game  
They tried to suck that shit up off me  
But they can not when will it stop  
Catch me when I'm unloading and popping the the  
glock  
Foos be hatin and talking a lot  
But when they see me they just drop  
So I proceed smoking my weed  
Rolling and blazing it up  
One at a time  
Enemy hittin and running no daytons  
Vatos catching the metro line  
See these eyes they've seen a lot  
Witness so much fucking dirt  
This crime and mentality how it be having me  
Ready to put in work I let the pistol jerk  
Get em before they get me first  
Tipping in a supersport droped on d's sitting on skirts  
Could it be I fell I victom of this cali life  
Trying not to catch a strike break them laws on cali  
nights  
Until they stop me bury murder me and drop me mr.

criminal  
Just can't stop me cause I'm rising ese watch me

Can't stop won't stop ese  
Why why why  
I live that life of a rider  
Yeah yeah yeah  
Can't stop won't stop ese  
Why why why  
I live that life of a rider

They know that bringing it sick  
Coming unloading the clip  
Cuete and criminal coming up everyone better be  
known when I handle my shit  
Being the foo that can't stop  
Hating cause I'm from the walk  
Fuck all my enemies I know there feeling me when I'm  
unloading the glock  
I'm one of the baddest around  
Cuetes not fucking around  
I'm shooting them down and I'm laying em down  
I'll pull out the trigger  
Don't cruise around  
I know that I'm coming in first  
Fucking em over the worst  
I put in more work when the families hurt  
When I put em inside of a hurst  
Simone I'm the number one gun  
Leva I'll never be 2  
There's only been 3 and ones is not you  
And niether is 3 and neiter is 2  
I'm keeping it twisted and sick  
You know that I'm making the hits  
A killer assasin whenever I'm blasting a loco that's all in  
the mix  
I'm coming so leva be ready  
I shoot like a seal from the navy  
I'm puting em under  
And after it's over I'll be getting some head from your  
lady  
There's no way that you can stop me  
There's no way that you can drop me  
Ass long ass I keep on breathing ay my gun I'll keep on  
popping

Can't stop won't stop ese  
Why why why  
I live that life of a rider  
Yeah yeah yeah  
Can't stop won't stop ese

Why why why  
I live that life of a rider
