AY! YI! YI!

Bleeding brains down sewer drains.
Chaos reigns in state-locked chains.
Czar Romanovs next akin, his next kid was born a sin,
Made a slave left to pave a nations path
towards freedoms way.
Stuck, ashamed, state holds your name,
Going going going going gone!

U! S! S! R!

U! S! S! R!

Rock it to Russia the pankastroika way.

KGB will kill your mom,
KGB will kill your dad,
Won't even second guess their plan,
Won't even even think that it's half bad.
Fucked again better start ???
Apologize to those assassin men.
Stuck, ashamed, state holds your name,
Going going going going gone!

U! S! S! R!

U! S! S! R!

Rock it to Russia the pankastroika way.
