Anywhere you wanna go,
Anything you need to know,
All the best in life, I want to get it for you.
Baby, I just feel so fine.
I imagine that you're mine.
In my world you're gold.
I only want to protect you.

Whatever I want I get.
I want shooting stars.
Whatever I need I have.
When I'm with you.

Follow me inside, outside, through the stratosphere.
The moon is shining for you.
It knows that I adore you.
Suddenly all the sadness will just slip away.
And you will see what I mean,
If you just follow me in my dreams.

I was searching everywhere.
Suddenly I saw you there.
And my love arrived, just in the nick of time.
Life floats on a movie screen.
You're the star of my scene.
Live on the edge of a knife,
Larger than life!

Whatever I want I get.
No one can take your place.
Whatever I need I have.
When I see your face.

Follow me inside, outside, through the stratosphere.
The moon is shining for you.
It knows that I adore you.
Suddenly all the sadness will just slip away.
And you will see what I mean,
If you follow me in my dreams. (2x)
