A shadow of myself, just who am I?
Scan horizons!
A tragic mystery.
You could've left me here, sealed inside the pod.
No one would ever know: The Chaos Control!
My true ideeeentity!
The power that is me!

We all danced in fire!
Trapped in this machine!
Don't know how long we've waited!
As the Eggman's watching!

We all danced in fire!
Looking through the screen!
Don't know how long we've waited!
As the Eggman watches!

With Rouge in the fight - eeeeelectric lives!
Change surroundings!
A jewel in history!
A treasure disappears, as she goes
Miss her as you look away, and know one knows
This power is a key!
This power changes meee!

We all danced in fire!
Trapped in this machine!
Don't know how long we've waited!
As the Eggman's watching!

We all danced in fire!
Looking through the screen!
Don't know how long we've waited!
As the Eggman watches!

You don't know, now I'm gonna show you.

The power that is me.

You try to take me down, stop the show.

Seems you've never tasted fear or loss of control.

The power lives in me.

The power that is meeee!

We all danced in fire!

Trapped in this machine!

Don't know how long we've waited!

As the Eggman's watching!

We all danced in fire!

Looking through the screen!

Don't know how long we've waited!

As the Eggman watches!
