A shadow of myself, just who am I?  
Scan horizons  
A tragic mystery  
You could have left me here, sealed inside the pod  
No one would ever know - The Chaos Control  
My true identity  
The power that is me

We all danced in fire  
Trapped in this machine  
Don't know how long we've waited  
As the Eggman's watching  
We all danced in fire  
Looking thru the screen  
Don't know how long we've waited  
As the Eggman watches

With Rouge in the fight - electric lives  
Change surroundings  
A jewel in history  
A treasure disappears - as she goes  
Miss her as you look away - and no one knows  
This power is a key  
This power changes me

We all danced in fire  
Trapped in this machine  
Don't know how long we've waited  
As the Eggman's watching  
We all danced in fire  
Looking thru the screen  
Don't know how long we've waited  
As the Eggman watches

Chaos Control  
Chaos  
Chaos  
Chaos  
Chaos  
Chaos  
Chaos

Chaos Control

Chaos

Chaos

Chaos

Chaos

Chaos

Chaos

E-123

You didn't know - now I'm going to show you

The power that is me

You try to take me down - stop the show

Seems you've never tasted fear - or loss of control

The power lives in me

The power that is me

We all danced in fire

Trapped in this machine

Don't know how long we've waited

As the Eggman's watching

We all danced in fire

Looking thru the screen

Don't know how long we've waited

As the Eggman watches
