Woo!

Alright!

Oh yeah!

Look out down below, Sonic is on the go
Can't stop this party till we save the world
This time we're not alone
We've got some friends along
And as a team we can become even stronger

Together we can overcome all the odds
It's never as hard as it seems
Everyone can do something special
The secret is sharing your dreams

We can make it if we all stick together
We won't give up, not ever
And everything's going to be alright
We all bring out the best things in each other
Together we are stronger than anyone else could be on
their own
So much better than alone

Sonic's in the lead, giving us greater speed
Tails keeps us flying high to save the trouble
Add Knuckles by our side, makes things a safer ride
We'll save the world and teach that Eggman a lesson

Together we can overcome all the odds
It's never as hard as it seems
Everyone can do something special
The secret is sharing your dreams
Oh yeah!

We can make it if we all stick together
We won't split up, not ever
It's easier with my friends by my side
We all bring out the best things in each other
Together we are stronger than anyone else could be on
their own

So much better than alone
Better than alone

And together we can overcome all the odds
It's never as hard as it seems
Yeah! Yeah!

We can make it if we all stick together
We won't give up, not ever
And everything's going to be alright
We all bring out the best things in each other
Together we are stronger than anyone else could be on
their own

Can't stop us 'cause together we are strong

Oh yeah!
