This is control. This is control. Tonight is race night.
Let's hear it for the champion engines of the world.

From France the 120mph Sudest.
The power of the Sudest - BOBO.

From Italy - the Rome to Milan Express - the Settebello.
Powered by ESPRESSO.

From Germany - right on time - the Inter- Continental
Express.
Powerd by RUHRGOLD.

From Russia - as far as possible - the Trans - Siberian
express.
Powered by TURNOV.

From Japan - the Shinkaussen bullet train -
The power of the bullet - NINTENDO.

From Great Britain - battling through the wrong kind of
snow
The Royal Train. Powerd by THE PRINCE OF WALES.

British Rail announce a delay in the arrival of the Royal
Train.
This is due to staffing difficulties.

And from the US of A - the reigning champion:
The greatest diesel locomotive in history -
The Union Pacific. Powerd by - GREASEBALL.
